Sub.: Eligibility criteria for Ph.D. programme for students graduating with a four years (or more) Bachelors program from any of the CFTIs with a CPI exceeding 8.0.

The Senate in its 239th Meeting held on 9th October 2019 resolved to approve the proposal of allowing students from CFTIs with CPI exceeding 8.0 on the scale of 10.0 to apply for Ph.D. programme of IIT Bombay without a GATE score.

The Senate noted that as per MHRD guidelines, only B.Tech. graduates of the IITs with CPI 8 or above (on scale of 10) are entitled to the TA/RAship without having to appear in GATE.

Therefore, the Senate decided that clear guidelines from MHRD be obtained regarding payment of MHRD TA/RAship for the students admitted from CFTIs with CPI 8 or above, without GATE score. The Senate also decided that eligibility criteria for application under TAP/RAP/PS categories to be suitably modified.
