Welcome to IEEE Fall School on Modern Sliding Mode Control to be held during 26-30 October, 2016 in the beautiful campus of Indian Institute of Technology Bombay, Mumbai, India. The objective of this school is to encourage community of researchers and practitioners in the area of variable structure systems and sliding mode control.

Speakers:

- Prof. Leonid Fridman, UNAM, Mexico
- Prof. Katsuhisa Furuta, Tokyo Denki University, Japan
- Prof. Jaime Moreno, UNAM, Mexico
- Prof. Sarah Spurgeon, University College of London, UK
- Prof. Bijnan Bandyopadhyay, IIT Bombay, India

Topics:

- Higher order sliding mode control
- Discrete time sliding mode control
- Sliding mode observer
- Output feedback sliding mode control
- Applications of sliding mode controller and observer

Important Dates:

Registration Starts: 01/05/2016
Registration Ends: Closed

Address:

Prof. B. Bandyopadhyay
Chair IEEE FALL SCHOOL 2016
IDP in Systems and Control Engineering
IIT Bombay, Mumbai-400076, Maharashtra, India

Note:

- Registration form can be downloaded from <http://www.sc.iitb.ac.in/documents/ieeeFallSchool.pdf>
- DD should be drawn in favour of "IEEE FALL SCHOOL 2016" payable at Mumbai.
- NEFT Transfer: Account Name: IEEE FALL SCHOOL 2016, Account No: 2724101110895, IFSC CODE: CNRB0002724, CANARA BANK, IIT POWAI.
