Dear Author,

Congratulations on acceptance of your contributed paper at IEEE Workshop on Variable Structure Systems (VSS). It is a biennial event sponsored by the IEEE Control Systems Society and IEEE Industrial Electronics Society. The VSS'2012 is being hosted by Indian Institute of Technology Bombay, Mumbai, India during January 12-14, 2012.

I am pleased to invite you to participate in the workshop and give a presentation on your research paper.

You can use this as a formal invitation letter from the Conference Organizing Committee to present it to the appropriate authorities to issue a VISA or other necessary documentation for your travel to India. Please feel free to contact us for any further information.

We look forward to see you in India.
